#### **OUR COVER - SIDE ABC**

Cover provides defence costs and indemnity in the event of litigation or investigations against individual D&Os and; Securities Actions against D&Os and the company.

Coverage includes:

Q Damages, judgements and settlements

- Q Legal fees and expenses
- Q Regulatory investigations
- Q Derivative suits
- Q Security holder demand investigatory costs
- Q Extradition proceedings
- Q Securities claims

#### **OUR COVER - SIDE A**

If a company does not indemnify, this policy responds to provide Directors and Officers the cover they need. Unlike other D&O policies, Side A DIC policies have no coverage exclusions apart from conduct matters.

Excess cover if limits on the primary D&O cover have been exhausted. The Side A DIC policy responds by paying Side A shortfalls subject to any agreed terms, conditions and limitations in the primary policy or on a drop-down basis when an insurer of the primary D&O cover refuses to pay a claim or fails to pay within an agreed time frame of a request to do so.

There are a number of examples where a reason for not payment could require Side-A policy to respond including:

- Q An application of exclusion
- Q An insurer has become insolvent
- Q Unnecessarily incurred defence costs
- Q Late notification of a claim
