Our culture

We're fast moving, nimble with an entrepreneurial culture, probably a few words you wouldn't expect to hear from a Lloyd's insurer. We have a flat structure where every employee is **empowered** to make swift decisions and is accountable for their outcome.

Our **inclusive, collaborative** and ambitious team are **driven** to deliver success for our brokers and where necessary provide an alternative view on risks. We are proud of our culture and our ability to underwrite some of the world's specialist risks, protecting our client's enterprises, livelihoods and passions.

Committed to building a better business

We know that everything we do has an impact on the environment, society, and those we work with. That's why we're committed to integrating **Environmental, Social, and Governance** considerations into every facet of our business.
