We are a growing Property and Specialty insurance and reinsurance Lloyd's syndicate and part of IQUW Group. We combine data, intelligent automation and human expertise to make fast, informed decisions to make every risk seamlessly simple for our brokers.

Our portfolio comprises of 16 Property and Specialty insurance and reinsurance products. These range from Aviation, Directors & Officers and Crisis Management through to Cyber, Energy and Marine. Our empowered underwriters aim to remove the friction from day-to-day trading by providing rapid responses, an initial risk assessment and an alternative view, if needed, to help our brokers respond swiftly to their clients.

We are the new generation of (re)insurers who believe that the combination of technology, data and human expertise will deliver outstanding service leading to great outcomes for our brokers, partners and clients.
