

Cyber

We intelligently underwrite Property and Specialty insurance and reinsurance risks, combining data, intelligent automation and human expertise to make fast, informed decisions, so every risk is made seamlessly simple.

OUR CYBER INSURANCE

Cyber risks come in many forms, from malicious intent to employee error and can impact every size of business from medium sized businesses to multinational organisations. Whatever the risk or size of organisation, we tailor cover to meet your requirements.

OUR COLLABORATIVE APPROACH TO CLAIMS

Through close collaboration, our claims team provides valuable technical, data and analytical insights to our underwriting teams. We spend time with our brokers and clients to deeply understand their risks and provide valuable insights to ensure we help to deliver entirely appropriate coverage.

Our journey

Our culture

We're fast moving, nimble with an entrepreneurial culture. Probably a few words you wouldn't expect to hear from a Lloyd's insurer. We have a flat structure where every employee is **empowered** to make swift decisions and is accountable for their outcome.

Our inclusive, collaborative and ambitious team is driven to deliver success for our brokers and where necessary provide an **alternative view** on risks. We are proud of our culture and our ability to underwrite some of the world's specialist risks, protecting our client's enterprises, livelihoods and passions.

Committed to building a better business

We know that everything we do has an impact on the environment, society, and those we work with. That's why we're committed to integrating **Environmental, Social, and Governance** considerations into every facet of our business.
