Our journey

Our culture

We're fast moving, nimble with an entrepreneurial culture. Probably a few words you wouldn't expect to hear from a Lloyd's insurer. We have a flat structure where every employee is **empowered** to make swift decisions and is accountable for their outcome.

Our inclusive, collaborative and ambitious team is driven to deliver success for our brokers and where necessary provide an **alternative view** on risks. We are proud of our culture and our ability to underwrite some of the world's specialist risks, protecting our client's enterprises, livelihoods and passions.

Committed to building a better business

We know that everything we do has an impact on the environment, society, and those we work with. That's why we're committed to integrating **Environmental, Social, and Governance** considerations into every facet of our business.
