

Active Assailant

We intelligently underwrite Specialty insurance and reinsurance risks, combining data, intelligent automation and human expertise to make fast, informed decisions, so every risk is made seamlessly simple.

OUR ACTIVE ASSAILANT INSURANCE

An Active Assailant incident is a deliberate act of violence involving a weapon, resulting in physical damage or bodily injury. Unlike terrorism events, there's no need to determine the attacker's motive. The focus is on the act itself and its impact.
