CORE

APPETITE

With our relationship-led strategy, we aim to efficiently match capital to risk and underwrite a diverse range of actively managed portfolios. At IQW, we place data and intelligence at the core of our decision-making process.

We prefer to underwrite shorter and medium-tail classes and less volatile classes. Our

capacity is up to USD 5 million, generally on a syndicated basis.

OUR COLLABORATIVE APPROACH TO CLAIMS

Through close collaboration, our claims team provides valuable technical, data and analytical insights to our underwriting teams. We spend time with our brokers and clients to deeply understand their risks and provide valuable insights to ensure we help to deliver entirely appropriate coverage.
