LEAD MARKET

We intelligently underwrite Specialty insurance and reinsurance risks, combining data, intelligent automation and human expertise to make fast, informed decisions, so every risk is made seamlessly simple.

OUR ENERGY INSURANCE

We look to insure all aspects of Upstream business with a focus on exploration and production business from drilling and field fabrication through to all relevant operating risks. We also support our clients focusing on the transition of their ESG journeys.

Our journey

Our service

We combine data, automation and human expertise to make fast informed decisions. We provide a seamless service by giving a rapid response, an initial assessment of risk and an alternative view to help turn a maybe into a yes.

Our culture

At IQUW Group, we empower everyone to make bold, impactful decisions. Driven by excellence and innovation, we strive for success and value diverse ideas. Collaboration fuels us, knowing that together, we win.

Our impact

We know that everything we do has an impact on the environment, society and those we work with. That's why we're committed to integrating Environmental, Social and Governance considerations into every facet of our business.
