

Portfolio Solutions

We intelligently underwrite Specialty insurance and reinsurance risks, combining data, intelligent automation and human expertise to make fast, informed decisions, so every risk is made seamlessly simple.

OUR PORTFOLIO SOLUTIONS INSURANCE

A data-driven approach to portfolio underwriting, covering a broad range of diversified portfolios while focusing on long-term relationships and providing seamless service to our clients.

CORE

APPETITE

With our relationship-led strategy, we aim to efficiently match capital to risk and underwrite a diverse range of actively managed portfolios. At IQW, we place data and intelligence at the core of our decision-making process.

We prefer to underwrite shorter and medium-tail classes and less volatile classes. Our

capacity is up to USD 5 million, generally on a syndicated basis.

OUR COLLABORATIVE APPROACH TO CLAIMS

Through close collaboration, our claims team provides valuable technical, data and analytical insights to our underwriting teams. We spend time with our brokers and clients to deeply understand their risks and provide valuable insights to ensure we help to deliver entirely appropriate coverage.

Our journey

Our service

We combine data, automation and human expertise to make fast informed decisions. We provide a seamless service by giving a rapid response, an initial assessment of risk and an alternative view to help turn a maybe into a yes.

Our culture

At IQUW Group, we empower everyone to make bold, impactful decisions. Driven by excellence and innovation, we strive for success and value diverse ideas. Collaboration fuels us, knowing that together, we win.

Our impact

We know that everything we do has an impact on the environment, society and those we work with. That's why we're committed to integrating Environmental, Social and Governance considerations into every facet of our business.
